### Chapter 1 by celloandjello

Bowser paced, and paced, and paced. He was planning his next move. He has captured Princess Toadstool Peach of the Mushroom Kingdom countless times. But each time, those two pesky plumber brothers Mario and Luigi always saved her. It was infuriating.

Bowser thought, if I capture Princess Peach again, Mario and Luigi will just save her. It'd be pointless. But all of a sudden, he thought of a great idea. A light bulb literally appeared over his horny head.

If Mario and Luigi are always the one saving, he will just capture them first!

Brilliant!

The Mario Brothers were in Peach's castle, celebrating their recent victory over Bowser; eating cake, playing games, chatting with the Toads, getting gifts- all that good stuff.

## Chapter 2 by Ella

"Stop!" Princess Peach yelled up to Bowser's Koopalings. It was no use. Mario and Luigi were pulled away. "If Bowser thinks he can take those two, he's wrong. He was stupid enough to do this with you guys here. We have to save them!" The Toads nodded. "We'll need a little more help. Any ideas?" She and the Toads thought. "What about, the Yoshi's?" The Toads looked up. "Brilliant idea!" And they set off to find Yoshi's, and to find Mario and Luigi.

## Chapter 3 by Wonder Story - In College

But Yoshi was too busy babysitting and couldn't help.

So Princess Peach decided that she would do something that Bowser wouldn't expect. *She* would rescue them!

"Toad! For the last time, stop trying to name the rescue!" Princess Peach yelled as she stepped out of her closet in her classic pink dress.

"Uhh, shouldn't you wear something mobile?" Toad asked.

"This outfit lets me float," Peach responded, patting her hidden umbrella, "Plus, I'm wearing tennis shoes." Peach checked her bag again and started for the door.

"If I need you I'll call you, for now, hold down the castle. I've got friends to save!"
